## **BC Northern Real Estate Board supports the creation of a dedicated Superintendent of Real Estate**

The BC Northern Real Estate Board supports all initiatives that enhance professionalism and protect the consumer and we specifically support the creation of a dedicated Superintendent of Real Estate who will focus on consumer protection.

BC Northern represents 380 REALTORS® who live and work in north and north-central British Columbia. “Our members provide professional real estate services and strive to be trusted advisers for buyers and sellers in rural areas, towns and small cities across our vast board area,” says President William Lacy. “Regulatory focus on the real estate industry is welcomed by members who organize their dealings in a principled manner.”

The BC Northern Real Estate Board looks forward to working with the new Superintendent of Real Estate to discuss ways to implement the Independent Advisory Group’s recommendations in a manner that meets the unique needs of the northern consumer. “Our Board remains committed to ensuring consumers in the north and north-central areas of the province have access to well-trained professional REALTORS® who are knowledgeable about real estate matters in their communities.”
