News Release

BC Northern Real Estate Board of Directors 2022-2023

Prince George, BC - The BC Northern Real Estate Board (BCNREB) is pleased to announce that Wynnette Lowes was elected President for the 2022-2023 term which began at the Board's recent AGM.

Wynnette has been a REALTOR® for almost 18 years and is a representative at Century 21 Energy Realty, Fort St. John. She has served on many Board Committees including the Professional Standards Committee.

President Wynnette Lowes comments "I am honoured to serve as BCNREB's 54th President. Our Board is the professional association of more than 395 REALTORS® who serve the real estate needs of the communities from Fort Nelson in the north to 100 Mile House in the south, and from the Alberta border to Haida Gwaii.

As a REALTOR® from Fort St. John, I have learned that market conditions can vary across time and geography, especially in the north where we have seen buyer, seller, and balanced markets in the last few years. Housing in the north is still, overall, very affordable when compared to the lower mainland. Still, the low housing supply has pushed prices higher, even here. Housing affordability remains a concern. BCNREB will continue to advocate for solutions to housing supply issues and for the protection of all consumers, both buyers and sellers, regardless of where they reside."

Wynnette Lowes takes over the Presidency from now Past President Sandra Hinchliffe. Breanne Cote was elected Vice President.
