Bluey Day raises over \$160,000!

The 18th Annual Bluey Day, held on May 27th, saw 30 participants shave their head in support of local cancer patients. With help from generous donors, these participants were able to raise over \$108,000 for the purchase of medical equipment that will assist in diagnosing and treating cancer patients at the Fort St. John Hospital. Donations are still trickling in.

The goal for 2017 was \$100,000, and with the early donation

from Mrs. Mucci in honour of her late husband Edmondo, this year's final number will be north of \$160,000 dedicated to the Cancer Diagnostic and Treatment Fund. 100% of these funds stay in the community.

Staff from Coach Barbers helped shave 30 people in under two hours. Thanks to them, all of our participants are sporting much shorter hairdos.

A huge thank you goes out to all of the participants, volunteers, and donors, without whom Bluey Day wouldn't have been possible! Special thanks to Coach Barbers, BC Ambulance, Save on Foods, DJ Nightmoves, Peace Country Rentals, Bold Promotions, Fort St. John Petroleum Association, Menchie's, Mr. Mikes Steakhouse, Booster Juice, and Cliffside Printing for their sponsorship!

BC Northern Real Estate Board Celebrates 50 Years by Giving Back

The BC Northern Real Estate Board is celebrating 50 years of service and to celebrate this milestone, a \$4,530 donation was made to the FSJ Hospital Foundation towards the purchase of the second Vein Viewer for the FSJ Hospital Lab. Representatives from the various real estate offices were happy to present the donation.
